**Re: D.T.E. 01-34 – Intrastate Special Access Services Investigation**

Dear Chris:

We have reviewed WorldCom's Reply to Verizon MA Request No. 1-1, and your response is incomplete. While you provided WorldCom's circuit numbers, you did not provide Verizon circuit numbers for the Bloomberg circuits, as requested. This data is necessary to track the circuits in our systems and investigate the validity of your claims in your testimony.

Rather than filing a Motion to Compel, I believe that it is more efficient to address this by letter. Should you have any further questions, please give me a call. I would appreciate receiving this data no later than Monday, March 11. If I do not hear from you by that date, I will follow up by filing a Motion to Compel with the Department, and perhaps a Motion to Strike your affidavit.

Thank you for your assistance in this matter.

Very truly yours,

Barbara Anne Sousa
